Amazon.com: silver solution curad

This Silver Solution is wonderful! I'm a big fan of colloidal silver water and use it for various things. When I saw this Silver Solution, I had to try it. It goes on with a cool sensation and helps the wound heal. I used this on a pretty severe burn on my arm from a kitchen mishap and it healed up nicely with no real scarring.

Curad Silver Solution Antimicrobial Gel, .5 Oz. Reviews 2020

Curad germ shield gel contains an ionized silver antimicrobial. That means, in addition to bacteria, it also kills other pathogens like fungl and yeast. Curad germ shield gel also shows no signs of susceptibility to bacterial resistance and keeps working up to 3 days. That helps provide more germ protection with fewer applications.
