Devil in the Milk by Keith Woodford. November 2, 2009 By Tom Cowan 11 Comments. Devil in the Milk Illness, Health, and the Politics of A1 and A2 Milk. Keith Woodford. Chelsea Green Publishing, 2009. I have thought about the medicinal aspects of cow's milk for virtually my entire medical career. As one four-year-old child pointed out to me many years ago, "Mommy, I know why he always talks about milk, his name is Cow---an."

Devil in the Milk by Keith Woodford | Chelsea Green Publishing

Devil in the Milk is part medical history, part manual on how to decipher the basics and subtleties of medical studies, and all righteous anger on how those studies are politicized and spun through greed and human pride by scientists and food companies. This is health advocacy reporting at its most heartfelt, honest, and instructive. Keith Woodford not only tackles the politics, misleading ...

Devil in the Milk: Illness, Health, and the Politics of A1 ...

The BCM7 that is released from A1 beta-casein has been implicated in many illnesses, including heart disease, Type 1 diabetes and autism. And there is increasing evidence that it is associated with milk intolerance and an additional range of auto-immune diseases. Metaphorically, it is 'the devil in the milk'.

DEVIL IN THE MILK

Download Ebook Devil In The Milk Illness Health And The Politics Of A1 And A2 Milk

The beta-casein in A1 milk has a structure that allows a short molecule called beta-casomorphin-7, or BCM-7, to split off during digestion. This small protein is the "devil in the milk", and it can cause various problems, ranging from juvenile diabetes, autism, schizophrenia, allergies, to auto-immune diseases such as MS and Parkinson's.

Devil in the Milk: Illness, Health and Politics - A1 and ...

There's a devil in the milk, says agricultural scientist Keith Woodford, and it has little to do with production methods. Woodford's startling thesis, backed up by a pile of research, is that a mutation many years ago created an aberrant protein in some European cows, called A1 cows to set them aside from all other cows, which are called A2.
