Specifications of a International DT 466 Engine | It Still ...

The DT466E Diesel Engine Memories The DT466E International diesel is no more mainly because it could not meet emission standards. It's one engine that performed only as good as the oil pressure that supplied the HEUI (hydraulic electronic unit injectors). They had a tendency to run rough when cold because of the lack of supply to the HEUI system which ran on thousands of pounds of oil pressure.
