Mediation is a more informal process

# Read Book Mediation Arbitration For Lawyers Medico Legal Practitioner

than arbitration. The process can take place with short notice, and be of a short duration, for example one day. It is confidential and if the issues are not resolved then the arbitration process can continue on foot. Mediation has distinct advantages such as:

The losing party has an extremely limited right to appeal an arbitrator's decision. In contrast, mediation is a voluntary process in which the mediator works with the parties to see if they can resolve their differences and settle the lawsuit or dispute. Now let's take a step back and look at the bigger picture.
