Off My Rocker presents a rollicking, backstage look at the joys and painful realities of a life devoted to music. During his early years as a radio personality, Weissberg basks in the creative glow of the free-spirited, post-Woodstock era but later rebels against the soulless corporate takeover of the music he's loved forever.

**Off his rocker - phrase meaning and origin** Kenny Weissberg

Crazy, out of control, nuts. In addition to being a kind of chair, a 'rocker' is a device that controls the movement of a piece of machinery. When a machine is off its rocker, it no longer works correctly.
