Preschool The 5 Senses Worksheets & Free Printables ...

A good preschool science program should help the child form their own opinions, rather than taking that of others as facts. It should help the child develop patience and perseverance. As the child discovers new things, a good science program should also open new possibilities of research, with great anticipation of new findings.

for preschool and kindergarten. Our five senses allow us to enjoy the world around us -- the taste of our food, the sound of music, the beauty of a sunrise, the softness of a cat's fur, and the fragrance of a rose. Children may recognize the importance of their senses, but they don't often focus on them individually.
