Primer For Policy Analysis Chapters

A Primer for Policy Analysis is built on the implicit assumption that policy-making decisions are economic decisions. Thus, it is an exposition of economic theory applied to policy-making. A Primer for Policy Analysis will be of interest to those who wish to understand market approaches to policy-making decisions. Stokey's and Zeckhauser's work is divided into three parts: the foundations of an economic framework for policy analysis, models and methods of analysis, and the goals of policy ...

CDC Policy Analytical Framework

Often described as a public policy "bible," Weimer and Vining remains the essential primer it ever was. Now in its sixth edition, Policy Analysis provides a strong conceptual foundation of the rationales for and the limitations to public policy. It offers practical advice about how to do policy analysis, but goes a bit deeper to demonstrate the application of advanced analytical techniques ...
