THEY LAUGHED AT GALILEO TOO - The New York Times

One final note. Yes, they "laughed" at Galileo, but they DIDN'T laugh at Bozo the Clown, not really. Examine that quote most carefully, since it contains a subtle, dishonest twist. By "laughed" in the first instance, we mean "they used mockery to suppress a dissenting voice." By "laughed" in the second, we mean "they found Bozo funny."

Closeminded Science: They laughed at the Wright Brothers

And this, more than anything else, in their minds, proves that they are right. "The mainstream laughed at Galileo when he said the sun was the center of the solar system; that flew against ...

The Galileo Gambit and Appealing to Ignorance | Psychology ...

A humorous account of great inventors and their critics who predicted failure. They Laughed at Galileo takes a humorous and reflective look at one thousand years of the development of humankind: those who dreamt, those who taught, those who opposed, and those who, ultimately, did.

They Laughed at Galileo on Apple Books

The Galileo Gambit is flawed in that being ridiculed does not necessarily correlate with being right and that many people who have been ridiculed in history were, in fact, wrong. Similarly, Carl Sagan has stated that while they laughed at Columbus and the Wright Brothers, "they also laughed at Bozo the Clown".

Association fallacy - Wikipedia

Nonetheless, "Even if Galileo never spoke those words, they have some relevance for our current troubled times, ..."They laughed at Columbus, they laughed at Fulton, they laughed at the Wright ...

We now have more evidence that Galileo likely never said ...

NYTimes They Laughed at Galileo Too IT WAS DATA THAT PUSHED DEAN RADIN to the fringe of science, and it is data that keep him there, out on the edge, in that hard country where researchers in less controversial fields will often give him the Look.
