144 Engine Swap — Oz Volvo Forums

When we started 140 - 150 HP was typical for a modified Volvo B20 street engine and the only way to get close to 200 HP was in a high compression, high rpm race engine. Then our supercharger kit made it possible to have over 150 HP on an otherwise stock engine and well over 200 HP on the street with a modified B20.
